ideaconcept.ca | (514) 400-6910 | info@ideaconcept.ca

L'expertise d'une seule entreprise, la force de quatre solutions.

Solutions événementielles

Nous assurons l'aspect technique pour des événements fluides et impactants.

- Idéation et conceptualisation technique
- Direction techniques et conseils experts
- Visualisation 3D pré-événement
- Vente ou location d'équipements audiovisuels
- Installation et contrôle sur site
- Régie événementielle
- Désinstallation rapide et efficace
- Débriefing technique post-événement

Un événement fluide, une exécution parfaite.

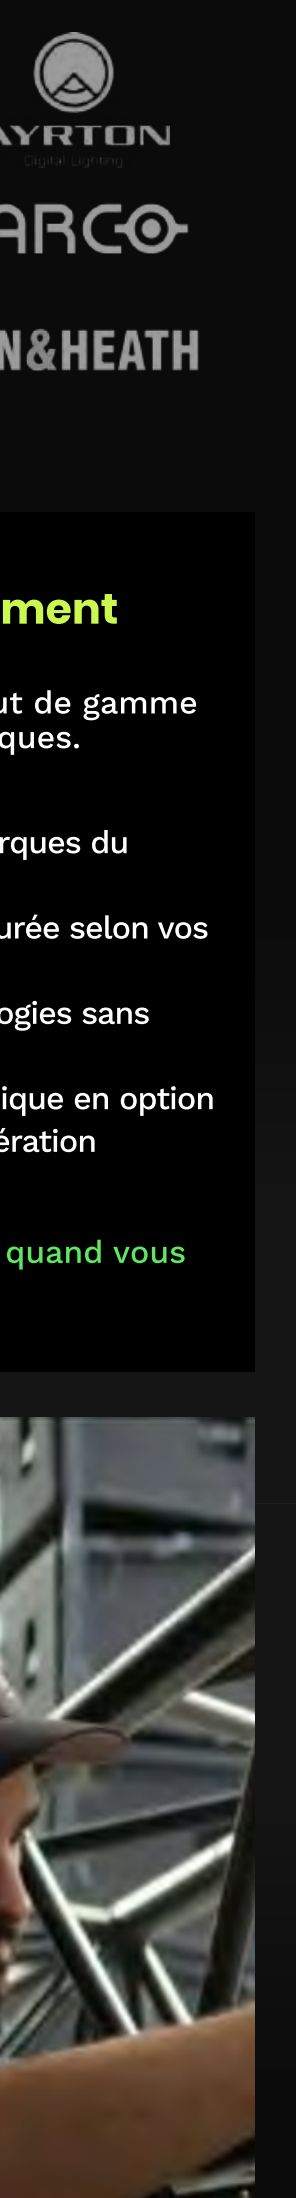

Ventes et intégrations

Nous transformons vos espaces avec des solutions technologiques sur mesure.

- Audit et analyse du site
- Présentation d'un catalogue des meilleures marques
- Vente d'équipements audiovisuels haut de gamme
- Intégration et installation clés en main
- Programmation et automatisation intelligente
- Formation et assistance continue
- Maintenance proactive et mises à jour

Une installation fluide, une utilisation intuitive.

Location d'équipement

Des solutions flexibles et haut de gamme pour tous vos besoins techniques.

- Analyse des besoins locatifs
- Sélection des meilleures marques du marché
- Location courte ou longue durée selon vos besoins
- Accès aux dernières technologies sans investissement lourd
- Installation et support technique en option
- Transport, livraison et récupération simplifiés

L'équipement qu'il vous faut, quand vous en avez besoin.

Contrat de services

Nous assurons un support technique durable pour garantir la performance de vos installations.

- Plan de service sur le long terme
- Accompagnement technique et support à la carte
- Maintenance préventive et corrective
- Mises à jour et améliorations continues
- Assistance IT et optimisation des systèmes
- Surveillance en temps réel et interventions rapides

Des technologies sous contrôle, un service sans interruption.
